## WHO IS ROSA?

Our first restaurant opened on the site of an East End 'caff' called Rosa's. Out of respect for the previous owner (and as we had no money for new signs!) we chose to keep the name. Over the years, our Thai co-founder Chef Saiphin has also become known as 'Rosa' – and so the name keeps being associated with good, honest food.

We want you to enjoy our food your own way, so if you need some extra seasoning, ask for a condiment tray. Just like in Thailand, ours come with fish sauce (for saltiness), sugar (to take the edge off heat), chilli (to add spice) and vinegar (for sharpness)
